

Virtual ***and*** Traditional Students:

There are several upcoming tests for all grades that students and parents need to be aware of. These tests are required by the state department of education for all students enrolled in the grade of the required test. Quarantined students will be managed if and when the time comes. See the chart below for the test required for your grade level. Please be at WHS by 7:15 on test day. I will provide pencils and scratch paper. Please bring a calculator (I will have the simple 4 function calculators available if you don't have one).

Covid Precautions:

- room sanitization
- 6ft spacing between students
- more testing rooms
- required masks

Grade of Test	Test	Date of Test	Arrival time to WHS
10th Grade	PreACT	February 10 (previous date was Feb 9)	7:15 am
