

**RECYCLE
RALLY**

ENDS APRIL

PEPSICO

RECYCLE

RALLY

Wellborn High School Special Education Class

We are collecting all plastic beverage bottles and lids. This includes any brand and size of soda such as Pepsi, Coke, Sprite, Mountain Dew, Dr. Pepper, Fanta, PowerAde, Gatorade, etc. We are also collecting any brand and size of water bottles, juice bottles, and milk bottles. This contest also includes aluminum cans.

Please help us by bringing your plastic bottles and aluminum cans from home. Tell your friends and neighbors. Recycling can be dropped off at Wellborn High School.

The contest ends in April, but our class will continue to recycle. We hope you will, too!

For more info, call 256 741-7638.

**Drop off at Wellborn
High School**

**Help Wellborn High
Special Ed Class win
the PepsiCo
Recycling Contest**

**Recycling just 5
aluminum cans saves
enough energy to
power a laptop* for
an entire day**

**Recycling 1,000
plastic bottles saves
enough energy to
power a lightbulb*
for more than an
entire year**

**Recycling 1,000
aluminum cans saves
enough energy to
power typical air
conditioner* for over
a week!**
