1% Parent & Family Engagement Funds

WES uses 1% of the Title I funds to increase
parent/teacher communication.
We use these funds for student planners and
communicators.

Goals for 2023-2024:

- Provide high quality professional development for teachers and staff to equip them to meet the needs of all students.
- Provide targeted, differentiated instruction for all students.
- Use positive supports to improve student behavior and engagement.

We Shall:

- Provide assistance to parents in understanding the academic standards
- Provide materials and training to parents
- Integrate parent involvement programs that encourage parent participation
- Ensure info is shared in a format that ALL parents can understand
- Provide reasonable support for parental involvement activities as parents request
