\_\_\_ Read at least one book with your child each day--Discuss the parts of a book: front cover, back cover, spine, words, pictures, etc. // Talk about the characters and what is happening in the story.

\_\_\_ Allow your child to write his/her name using a pencil or marker each day.

\_\_\_ Practicing counting to 20 with your child any chance you get.

\_\_\_ Have your child create patterns with simple items in your home.

\_\_\_ Identify Uppercase and Lowercase letters when given in random order. (Flashcards are attached for you to cut out and use if needed)

\_\_\_ Review letter sounds.

\_\_\_ Identify numbers 1-20 when given in random order. (Flashcards are attached for you to cut out and use if needed)

\_\_\_ Count objects-- add and take away then ask "How many are there?" and "What if I add \_\_\_ how many are there?"

\_\_\_ Visit Starfall.com There are several activities for your child to do.

~~Visit PBS.com Your child can click on your child's name to find fun learning activities and games. (with attached resources and parent/teacher sign)~~

\_\_\_ Sing letter songs and counting songs with your child (We LOVE Jack Hartmann and The Learning Station on YOUTUBE!)
